World Doctors & Scientists Say... Vaccines & Polio Drops Cause Disease and Death!

Autism & Strokes.

Vaccinations are causing impaired blood flow (ischemia) to brain and body from clinically silent to death. These are strokes across the board for all of us... all are being affected and all vaccinations ARE causing the overwhelming rise in autism, specific learning disabilities, attention deficit disorders, sudden infant death, gulf war syndrome, dementia, seizure disorders, some cancers it would appear, and much, much more. *Dr. Andrew Moulden, BA, MA, MD, PhD.*

Autoimmune & Neurological Diseases.

Measles transmission has been clearly documented amongst vaccinated persons. In large outbreaks, over 95% of cases have a history of vaccination. *Dr. William Atkinson, Senior Epidemiologist, CDC.*

All vaccine ingredients are poisonous, carcinogenic, or potentially harmful to the skin, gastro-intestinal, pulmonary, neurological and immune systems. *Dr. Lawrence B. Palevsky, MD, FAAP.*

Vaccines represent a dangerous assault to the immune system leading to autoimmune diseases like multiple sclerosis, lupus, juvenile onset diabetes, fibromyalgia, and cystic fibrosis as well as previously rare disorders like brain cancer, SIDS, childhood leukemia, autism and asthma. *Dr. Rona Zoltan, MD.*

Cot Death/SIDS (Sudden Infant Death Syndrome).

Crib death was so infrequent in the pre-vaccination era... but it started to climb in the 1950s with the spread of mass vaccination against diseases of childhood. *Dr. Harris L. Coulter, PhD.*

Aids, Cancer & Polio.

The Polio Vaccine may be responsible for many modern Cancers & AIDS. *Dr. Maurice Hilleman, PhD. Head of vaccine development.*

It is officially admitted that all cases of polio in the US, since the introduction of the vaccine, are caused by the vaccine. The same has been seen in Australia and other countries like England. *Dr Viera Scheibner, PhD.*

Vaccines do predispose to cancer and leukaemia. *Professor L. Vincent.*

The Indian Medical Association (IMA) has a figure of 85,000 vaccine attributed polio victims up to 2005. Doctors have been advised to keep quiet on these issues for the greater good of humanity. GAVI, UNICEF, Rotary and WHO do not reply to our emails making it plainly evident they aren't the least bothered about the health of Indian children. Shame on those who wish to profit by killing and maiming little babies. *Dr. Omesh Bharati, India.*

Vaccines Are A Biological Weapon?

Vaccination is a biological weapon. It facilitates targeted genocide. We are changing our genetic code through vaccination. *Dr. Guylaine Lanctot, MD.*

The mythical HIV induced AIDS plague in the Third World generates huge sums of cash from Western relief organisations whilst smoke-screening the vaccine/drug boys, responsible for the carnage. *Dr. Patrick Rattigan, ND.*

The Case Against Vaccines & Polio Drops.

- Vaccines weaken the immune (defence) system of children for life, causing infections & diseases.
- Most childhood infections are mild and self remitting and induce, new strong antibodies for future infections.
- Vaccines may contain many harmful chemicals like mercury and aluminium which damage the brain, nervous system and cell function.
- Vaccines may cause many diseases, allergies, cancers, autoimmune diseases, neurological diseases and even Polio-like paralysis today!
- Vaccines may contain live, attenuated and hidden viruses which is extremely risky.
- There is a global COVER UP regarding serious failures, side effects and death from vaccines!
- Vaccines lack scientific, independent evidence of efficacy and safety.
- It wastes trillions of dollars/pounds and is making the people and governments in poor third world countries poorer and more in debt, and the drug companies filthy rich!
- Today there are thousands of websites in most countries against vaccination.
- We have today many natural ways to build a natural strong immune system to fight most infections and diseases.
- Our innocent children are suffering from vaccines and they gave no consent at all for the vaccines forced on them. This constitutes a medical assault.

Dr. Abdul Majid Katme, MBBCh, DPM.

All Previous Vaccine Fatwas Invalid?

All previous fatwas supporting vaccination may be invalid, as nobody knows what is in a vaccine, even the manufacturers. Reports say in 1993, a high court judge in the UK decided it was impossible to know the exact contents of vaccines and that science had no idea what the cocktail of chemicals, contaminants and heavy metals contained in vaccines could do to the human body, or why they would work to prevent disease.

Impurity & Filth in Vaccines.

Vaccines & polio drops may contain filthy substances from animals and humans that remain impure. Animal DNA/RNA, **baby foreskin**, chick kidney & embryo, cows blood & gelatine, dog kidney, faecal matter & urine, foetal cells from aborted babies, hidden viruses & bacteria, horse blood & serum, human DNA/RNA, **infected homosexuals blood**, cancer cells, monkey kidney & viruses, mouse brain, **pig blood & gelatine**, pus from diseased animals, sweepings from diseased children, toxic aluminium, mercury, and many more.

Vaccines Cause Meningitis.

World experts say that meningitis is actually linked to the vaccines and those vaccinated! You cannot get meningitis from casual contact. *Dr. Sherri Tenpenny.*

Halaal Vaccine Scam.

Thousands of Muslim doctors and scholars are cashing in on **halaal vaccines**. But vaccines that protect against disease will never exist, because all vaccines, even those labelled halaal, poison the blood, flesh & organs! Vaccination originated from superstition and sorcery, and is clearly a scam based on speculation, ignorance, fear, and deception, just like **haraam insurance** and **gambling!** A small child can understand this, but not intelligent professionals blinded by money and status!

Fatwas on All Vaccines & Polio Drops.

Pig and Cow Gelatine may not undergo a complete change and remain impure, say scholars including the Majlisul Ulama & Mufti Muhammad Taqi Uthmani.

Vaccination is haraam. Majlisul Ulama.

Vaccination even on the assumption that the vaccine is free of haraam ingredients, is haraam. UUCSA.

It is permissible not to go for a Fardh Haj if one cannot avoid the injection of filth and poison into one's body. It is not permissible to perform Umrah and Nafl Haj if one cannot avoid the vaccination. It is haraam to take vaccination. Jamiatul Ulemaa Gauteng.

Divine Alternative to Vaccines.

Staying healthy without vaccines is very simple. Our Beloved Creator has commanded us to eat and drink from that which is pure and good, and avoid pollution and sin. We must eat organic, pure and natural food and drink, free from chemicals and pesticides. Avoid all processed, refined and genetically modified food, soft drinks, takeaways, toiletries, wifi, aluminium cookware, fluoridated water, microwave food, vaccinated meat, vaccines and refined sugar. Our Prophet Muhammad, peace be upon him, said that man fills no vessel worse than his own stomach, and the best medicine is food! We must stop eating haraam, doubtful food and drink, stop committing sin, obey **Shariah Law** completely and seek forgiveness from our Beloved Creator!

Keep Hajj & Umrah Pure and Safe!

Muslims must petition the **Ministry of Hajj** to remove all vaccine protocols from Hajj & Umrah. Muslims do not want this misguided and dangerous protocol that may completely ruin Hajj and Umrah, and our Imaan!

The Safe Choice is to **Say No To Vaccines!**

Muslim Health Watch, The Majlisul Ulama & the International Medical Council on Vaccination are asking for an urgent and open, scientific, medical debate on vaccines & vaccination. Thousands of western websites now expose and oppose the many harms, damage and death from vaccines, unknown to most doctors and the public at large.
